### Information About the Service

#### Description of the service

This is a post-paid Home Wireless Broadband Services that include a data allowance of 250GB for use within Australia, which is supplied by Yomojo using the Optus 4G Plus network. The home wireless broadband product is a SIM only product which provides 250GB of data use. However, you first need to purchase a sim and wireless modem package in order to receive the service. This product is only available in regions that fall within the defined coverage area as determined by the Yomojo address checker tool.

#### Is this plan bundled with any other Telecommunications Service?

You don't need to bundle this plan with another Yomojo service however you may be eligible for discounts if you do. See how our Family Bundles work at [www.yomojo.com.au/family](http://www.yomojo.com.au/family)

#### What's included?

The **Home Wireless 250GB** product has the following features:

- 250GB data
- Per KB billing
- Downloads and Uploads Included
- Your plan will automatically renew at the start of the month
- Available In areas covered by the 2300mhz spectrum
- Monthly Expiry

Unused allowances will expire when your plan expires.

Personal use only, Terms & Conditions and Fair Use Policy applies.
