Information About the Service

Description of the service

Yomojo plans are month-to-month included value mobile service plans. This means that for a set fee, the plans provide allowances of national voice calls, national standard SMS/MMS and national mobile data for use via your mobile phone handset. You first need to purchase and activate a Yomojo SIM card.

Is this plan bundled with any other Telecommunications Service?

You don't need to bundle this plan with another Yomojo service however you may be eligible for discounts if you do. See how our Family Bundles work at www.yomojo.com.au/family

Information About Pricing

Total Minimum Monthly Plan Cost

\$9.90 per 30 days

Total Maximum Monthly Plan Cost

\$9.90 per 30 days. Once an inclusion is used, you will need to manually purchase a data pack or recharge your Excess Credit balance to continue using these services. Excess usage and services not included in your plan are charged at our Standard Usage charge rates.

Early Termination

There is no minimum term contract, so you can cancel whenever you want but we won't refund you for unused plan allowances or credit. In some circumstances you could receive invoices with delayed charges up to two months after you disconnect for international and previously unbilled 3rd party charges.

Usage Calculation

Call charges are calculated in 60-second blocks. SMS count is based on 160-character increments including spaces. Data is counted in kilobytes and includes uploads and downloads.

Cost of 2 Minute Standard National Mobile Call

Plan includes an allowance of 200 mins for standard national calls. There is no per-minute charge

Cost of Standard National SMS

Plan includes Unlimited standard national SMS. There is no per-message charge.

Cost of 1MB of Data in Australia

Plan includes 1GB of data in Australia. There is no per-MB charge.

Estimated # of Standard National Calls

The allowance of 200 mins of standard national calls means if you make Standard National Mobile Calls each of 2 minutes in duration, you could make 100 calls.
